BIOGRAPHY

HearThuG, an otherworldly presence on the underground scene, is a talented **Tunisian DJ and producer,** recognized by his peers as one of the most surprising artists of his generation. An enigmatic figure, he masterfully blends groove with mysterious sonic textures. He is the head of the label **Are You Alien** and a leading figure of the MENAT scene.

He stands out with a relentless selection oscillating between **house, acid, and breaks**, crafting a fantastical atmosphere enriched by his own productions to captivate dancefloors. Over the years, he has collaborated with numerous artists and labels, releasing music on Sequence, Banoffee Pies Records, Pleasure Club, Sex Tapes From Mars, and many more.

His precision—both in the studio and behind the decks—has allowed him to mesmerize crowds worldwide through his singular universe. From Fabric London to Cabaret Sauvage, passing through India, Italy, South Korea, and his hometown, where he delivered a Boiler Room set, he continues his journey with a mischievous smile and a truly unique personality.
